Notifications include confirmed, probable and suspect cases as at the above indicated time when data are extracted from EpiSurv.

COVID-19 information is being reported by the Ministry of Health nationally.

Zika notifications are reported nationally and mpox notifications by region (i.e. Te Waipounamu/South Island).

^{c,s,w} The trend of the incidence of this disease in either Canterbury (c), South Canterbury (s) or West Coast (w) has been graphed (see following pages) because it either has been flagged by the Early Aberration Reporting System (EARS), or is a disease of interest.
